2021-22 GSMS Celebration of Athletics

WELCOME TO THE BEAR DEN

It is exciting that we can now call ourselves the GSMS Bears! With Hanwell selecting bears as well we can welcome a bear rivalry.

Uniforms

We did give away a lot of old Crusader gear this year with our changing of the mascot but are missing parts of current sets needed for next year. Please return our “G” set gear.

RECAP

It was a crazy year with a government strike in the fall and then COVID lockdowns and yet we still were able to have some form of soccer, basketball, volleyball and track and field seasons with lots of student participation!

Participating in sports helps with many life skills and we hope that it has sparked a drive for more participation in the future.

Many volunteers are needed to coach all our teams and we need to ensure their time and effort to provide you the best experience is acknowledged, so thank you coaches! We have had former students come back as coaches in later years and hope that is something some of you might take on in the future to give back!

We have a guest speaker who attended GSMS who can briefly share some experience with the benefits of participation in sports.

Special Guest Speaker

Stanley Mayambo

- Former GSMS and FHS student
- Attended Carleton University (Ottawa) where he won four national U Sports Basketball Titles.

Thank you for sharing your morning with us.
